### **Greetings!**

The Tri-County Band Boosters is a 501(c)3 non-profit organization with the sole purpose of supporting the Tri-County Instrumental Music Program. The Program provides the opportunity for young musicians and performers to develop and advance their musical talents by offering them a cooperative and competitive experience. The students learn the value of hard work, commitment, and dedication; develop social competencies, a positive self-identity, independence & self-reliance, and a sense of belonging; instills in them the vital life skills of teamwork, respect, responsibility and time management; and shapes students into being more 'well-rounded' and successful academically.

The tough economic times, as I am sure you have experienced, have made it difficult for us to fully fund the needs of our active music program. Currently the Marching Cavaliers are preparing for their fall competition show, ***fp (fortepiano)***. The cost of equipment, choreography, uniforms, and contest entries has gone up which has put additional strains on our program to continue to provide this quality experience for our students. The marching band is currently in desperate need of a new equipment trailer and new uniforms in addition to our regular expenses. All of which are very large expenses. Despite the valiant efforts of the students and parents in the program to fundraise by washing buses, hosting dinners, and staffing the TCI concession stand to name a few, it simply is not enough to meet all the program's needs.

Community support is vital to the success of our program. I believe we can help each other out. As a sponsor for the 2024 marching season, your tax-deductible donation to the Tri-County Band Boosters of ANY amount will be greatly appreciated by all current and future students in the program, and will go towards meeting the needs of our program. In return we would like to send you a thank you and help advertise your business. Please see the enclose form for details. Thank you in advance.

**Sincerely,**

**Jeremy Sterk**  
**Director of Bands**
